**4. Chairman's Remarks:**

A special meeting of the New Forest Association of Local Councils has been called for 29 July to receive a presentation by Ringwood and Hythe Councillors and to discuss a new representative association. Whilst we no longer belong to this association we have been invited to attend and Cllr Glass is willing to go and find out more if the Council agrees.

**RESOLVED:** Cllr Glass to attend the meeting of NFALC on 29 July 2010.

Hampshire County Council have advised that the Waste Transfer Station Area to the rear of Existing Yard at 151-153 Long Lane, Holbury will be discussed by the Regulatory Committee on Wed 28 July 2010 at 10.00am. It is minuted that Cllr Glass wished to attend any future meetings connected to this application and he will be attending but any other member wishing to attend must confirm by 22 July.

Cllr Glass wished to add that Asbestos was not mentioned in the title of the Planning Application of the Waste Transfer Station Area when this was what it would be used for.

The New Forest National Park Authority is working with HCC Highways on a programme to reduce the number of unnecessary or poorly designed road signs within the National Park. Part of the process involves identifying "sign clutter hotspots" where there are particular issues relating to the number of signs, their condition or their design.

Suggestions from Parish Councils of such sites within the Nat Park would be welcome, contact details available from the office.

The Chairman advised that he and Cllr Glass had recently attended a Traffic Management meeting where traffic issues within the Parish had been discussed.

**RESOLVED:** To advise NFDC that the Parish Council supported previous traffic calming measures adjacent to the 30mph signage in Church Lane, Fawley (drawing no TS 4108/01) with no revisions but would wish to see suggested junction alterations for the junction of Church Lane and Calshot Road to be implemented as well.

Cllr Wappet informed the meeting of a statistical exercise taking place on behalf of NFDC during the weekly rubbish collection of the parish, where young people would be counting the number of black and clear refuse bags used by householders.

**5. An update Police Report:** Inspector Langridge advised that dedicated staffing levels within the parish might be reduced whilst a replacement officer was sought but this hopefully, would be short term. He advised of vehicle thefts from the Holbury area of which there were 7 in the last week. He and his staff had organised a “Meet and Greet” session with the residents of New Road following the recent incident there and talks were taking place regarding the cut way between Hedley Close and Dark Lane. A complaint by a resident of Bramble Close was being looked into. Information relating to the security required at the PCSO Office at Gang Warily would be provided for consideration of the Parish Council shortly with clarification on the terms of the lease of the office also sought.

An invitation to join neighbouring parishes in a monthly meeting to discuss concerns was made.

**RESOLVED:** Cllr Glass to represent the parish at the monthly Police meeting.

Cllr Wappet wished to thank officers for their recent assistance when a parishioner fell in Hampton Lane. Cllr Holtham requested a Police presence at Calshot during the last night of Cowes week.
