

APPENDIX 6d Policy, Resources & Personnel Committee meeting 16 November 2022

DRAFT SOCIAL MEDIA & ELECTRONIC COMMUNICATION POLICY

Draft to be considered November 2022

The use of digital and social media and electronic communication enables the Parish Council to interact in a way that improves the communications both within the Council and between the Council and the people, businesses and agencies it works with and serves.

The Council (Office and Gang Warily) has 2 websites and social media pages and uses email to communicate. The Council will always try to use the most effective channel for its communications. Over time the Council may add to the channels of communication that it uses as it seeks to improve and expand the services it delivers. When these changes occur and if this Policy is impacted it will be updated to reflect the new arrangements.

The Council Facebook pages and other social media accounts intend to provide information and updates regarding activities and opportunities within our Parish and promote our community positively.

Communications from the Council will meet the following criteria:

- Be civil, tasteful and relevant;
- Not contain content that is knowingly unlawful, libellous, harassing, defamatory, abusive, threatening, harmful, obscene, profane, sexually oriented or racially offensive;
- Not contain content knowingly copied from elsewhere, for which we do not own the copyright;
- Not contain any personal information.
- If it is official Council business it will be moderated by the Clerk to the Council;
- Social media will not be used for the dissemination of any political advertising.

In order to ensure that all discussions on the Council page are productive, respectful and consistent with the Council's aims and objectives, we ask you to follow these guidelines:

- Be considerate and respectful of others. Vulgarity, threats or abuse of language will not be tolerated.
- Differing opinions and discussion of diverse ideas are encouraged, but personal attacks on anyone, including the Council members or staff, will not be permitted.
- Share freely and be generous with official Council posts, but be aware of copyright laws; be accurate and give credit where credit is due.
- Stay on topic.
- Refrain from using the Council's Facebook page or other social media sites for commercial purposes or to advertise, market or sell products.

The Council social media sites, websites and emails are not monitored 24/7 and we will not always be able to reply individually to all messages or comments received. However, we will endeavour to ensure that any emerging themes or helpful suggestions are passed to the relevant people or authorities. Please do not include personal/private information in your social media posts to us.

Sending a message/post via Facebook or other social media will not be considered as contacting the Council for official purposes and we will not be obliged to monitor or respond

We retain the right to remove comments or content that includes:

- Alleges a breach of a Council's policy or the law

The Council's response to any communication received not meeting the above criteria will be to either ignore, inform the sender of our policy or send a brief response as appropriate. This will be at the Council's discretion based on the message received, given our limited resources available. Any information posted on the Facebook page not in line with the above criteria will be removed as quickly as practically possible. Repeat offenders will be blocked from the Facebook page. The Council may post a statement that 'A post breaching the Council's Social Media Policy has been removed'. If the post alleges a breach of a Council's policy or the law the person who posted it will be asked to submit a formal complaint to the Council or report the matter to the Police as soon as possible to allow due process.

Parish Council Websites.

Where necessary, we may direct those contacting us to our website to see the required information, or we may forward their question to one of our Councillors for consideration and response. We may not respond to every comment we receive particularly if we are experiencing a heavy workload.

Parish Council email.

The Clerk to the council has their own council email address (stephanie.bennett@fawley-pc.gov.uk) and all officers have bespoke addresses that can be found on the website. Email accounts are monitored mainly during office hours, Monday to Friday, and we aim to reply to all questions sent as soon as we can. An 'out of office' message will be used when appropriate.

Employees in receipt of emails are responsible for actioning the content or passing the email to an appropriate officer. All communications on behalf of the Council will usually come from the Clerk, however operational matters are normally dealt with by operational staff members. All new Emails requiring data to be passed on, will be followed up with a Data consent form for completion before action is taken with that correspondence.
