

### **1.0 INTRODUCTION**

I would like to introduce a new type of membership that would be available to any community clubs using our facilities. This would be an optional membership that clubs can decide whether they want to join or not, the membership will have a clear list of benefits so that they can determine if it will be beneficial for them. The idea is that this will provide more consistent income for the Council as well as helping support the clubs that use our facilities. Details of this new membership are listed below.

### **2.0 AFFILIATED CLUB MEMBERSHIP**

Cost of £50.00 per annum (In advance)

- Eligible for member's rates on applicable activities.
- Guaranteed time slots each week.
- Page on the Centre's new website.
- Opportunity to leave flyers at Reception.

### **3.0 PRICE CHANGES**

To make this membership beneficial to clubs using Jubilee Hall and QE2 we would need to introduce a members and non-members price for the respective hall hire charges. I am proposing the following prices:

	Non-Member	Member
Jubilee Hall – Hall Hire (Currently £13.00)	£15.00	£12.50
QE2 – Hall Hire (Currently £15.00)	£18.00	£15.00

### **3.0 RECOMMENDATIONS**

That the Council introduce a new Affiliated Club Membership package as described above from 01 April 2023 along with the introductions of members and non-members rates for Jubilee Hall and QE2 hall hire.
